WEST HUDSON PARK

Welcome

West Hudson Park is a haven of open space in the western part of Hudson County. The park itself dates as far back as 1888. However, Hudson County's purchase of the land was not approved until November 1902 and additional construction began on June 15, 1910.

The park combines fun, active space with natural, passive space in the towns of Harrison and Kearny. Its 46 acres has a rich history as a natural area and place of relaxation in Hudson County. The park is home to various sports facilities for athletes, scenic bridges, winding pathways, and a beautiful lake.

Park Features

West Hudson is a great place to relax and take in the natural sights. The park's major highlight is the 2-acre Fairy Lake, which is fed by fresh springs and rain runoff. In addition, visitors can enjoy a stroll through the park on the 4 miles of walkways, along the Chinese gazebo, and around the ornamental trellis structure. Families are welcome to enjoy a bite to eat in West Hudson Park's picnic areas.

Recreation

West Hudson Park offers an impressive array of sports fields and courts: Two baseball/softball fields, a youth baseball field, a half basketball court, a soccer field, a volleyball court, 4 lighted tennis courts, and exercise/cross country course. Children can enjoy outdoor recreation at the West Hudson Park on one of two playgrounds or cool off at the spray pool in the summertime.
